

## PLEASE PERFORM THE LINES OF DRAKE ONLY

Note: This script can be performed by kids and adults alike.

Drake (as everyone calls him - which he hates), a misfit vampire, is up to his usual shenanigans. He's determined to make Jules his friend and that's why Jules is locked up in the dungeon...again. This happens on a near daily basis. Basically, Drake needs to work on his social skills.

### INT. DRAKE'S DUNGEON

Count Drakeula is proudly pacing back in forth in front of the cell he has Jules locked in...again. They've been here for hours. Awkward silence.

|---|---|---|
| 1 | JULES<br>Ummm...Drake?  | 1 |
| 2 | DRAKE<br>(sotto)<br>Drake, Drake. My name is Count<br>Drakeula. You will call me COUNT<br>DRAKEULA!! Mwahahahaha!                               | 2 |
| 3 | JULES<br>Fine..."Count Drakeula"...If you<br>were thinking of keeping me in here<br>for a while, you really should have<br>planned this better. | 3 |
| 4 | DRAKE<br>You can't tell Count Drakeula what<br>to do! But just out of<br>curiosity...what do you mean?  | 4 |
| 5 | JULES<br>Well, first of all, there's no<br>bathroom.  | 5 |
| 6 | DRAKE<br>Bathroom?  | 6 |
| 7 | JULES<br>And second of all...I really need<br>to go!  | 7 |

Jules pretends to have to use the bathroom by doing a "peepee dance" - squirming. Drake panics and starts fumbling for his keys to unlock the cell.

DRAKE

8 AAH! Don't pee on my floor! Don't  
pee on my floor! 8

He unlocks the door and swings it open. That's when Jules  
makes a break for it.

JULES

9 Thanks! (bolts) Bye Draaaake! 9

DRAKE

10 WHAT?! Nooooooo!! (calling out) And  
my name's not Drake! It's COUNT  
DRAKEULA!!(beat) Ugh. Humans. 10
